Like Books?*

How Do You Make That Happen?

Chadron State College and the University of Nebraska Omaha are proud to announce the new Masters In Education, School Library Media P-12 program that allows teaching professionals to get their school library media endorsement and a Masters degree in Education at the same time!

If you are interested in adding a school library media endorsement required to direct a school library, this program is for you. **OR** If you already have your school library

If you answered YES to any of these questions, you belong in a School Library!

media endorsement but want to take some coursework to upgrade your skills and/or need a Masters degree to enhance your salary - this program is for you!

The program is offered in a very accessible web-assisted program that combines online learning with limited weekend visits a semester on the Chadron State College campus in Chadron, Nebraska in the beautiful Nebraska Panhandle.

With the local and regional shortage of endorsed school library media specialists, the time is right to embark on this exciting educational adventure. Join the Nebraska library and information family today!
